Subject: North Palm Beach Police Public Records Request

Good morning Kari this is Sergeant Lou Pearson with the North Palm Beach Police Department. I wanted to make you aware of a public records request that we received yesterday as it pertains to your company. Before we fulfilled this request, we wanted to make sure that your company was aware as we did not want to release any information that you deem proprietary and not readily available. Not sure if you wanted to confer with your legal department as how to proceed but we wanted to ensure that you were aware of this request. Thanks
